Inception Date	2017-12-29

Summary of Investment Objective

Coeli Absolute European Equity is an equity long/short hedge fund. Focus of the investments made are in small and midcaps where we see unlocked value with a price which is significantly lower than what we think it is worth and where the management is focused on creating value. The fund has a concentrated portfolio purely based on stock picking with fewer and larger holdings and is fundamentally driven.

Risk Information

Neither past performance nor simulated performance is an indicator or a guarantee of future performance. Estimates of future returns should not be construed as a guarantee of future performance. The value of shares in the Fund and income received from it can go down as well as up, and investors may not get back the full amount invested.

An investment decision may not constitute the sole basis for a decision to invest in the fund. Such a decision should be based on the information in the current prospectus, the Key Investor Information Document ("KIID"), and the most recently published annual and semi-annual reports which are available at www.coeli.com and can be acquired directly and without any costs from Coeli.
